

# Flexible Financing

Choose from one of the below programs or contact us and we'll develop a program to meet your specific needs:

- ***\$20.00 Security Deposit Program:*** minimal up front costs.
  - Customer pays a \$20.00 security deposit; payments calculated at the determined factor
- ***7 x \$100 Program:*** great selling tool for specials/promotions.
  - Customer pays a \$100.00 security deposit; first six payments at \$100.00
  - Remaining 30, 42, or 54 payments are at the determined factor
- ***6 x \$99 Program:*** exceptional tool for trade shows or other promotions.
  - Customer pays 2 security deposits totaling \$198.00
  - First 6 payments are \$99.00 followed by 30, 42, or 54 payments at the determined factor
- ***60 Day Deferral:*** helps close the sale when customers can't afford to buy now.
  - Customer pays the security deposit with documentation and then is not invoiced until 60 days after funding (since we bill in arrears, this is actually a 90 day deferral)
  - Irregular Payment Schedule B is needed
- ***90 Day Deferral:*** helpful when equipment does not generate income right away.
  - Payments of \$25.00 for the first 3 months then normal term at the determined factor
  - Irregular Payment Schedule B is needed
  - Payment in advance as security deposit
- ***Interval Payments:*** for customers that need annual, semi-annual, or quarterly payments.
  - First payment that is collected is an advance payment (not a security deposit)
  - Payments calculated at the determined factor
- ***Seasonal Program:*** instrument for customers who experience fluctuating periods of higher and lower revenue production on an annual basis.
  - Designate which 3 consecutive months the customer requires off
  - Remaining 9 payments during the year are calculated at the appropriate factor
  - Irregular Payment Schedule B is needed
  - Payment in advance as a security deposit
- ***10% Security Deposit = Buyout:*** when customers request a prepaid Purchase Option Plan.
  - Customer pays a 10% security deposit with the lease documents and completes the term of the lease as normal
  - If the customer has no outstanding charges at the end of the lease term, the original security deposit may serve as the buyout of the lease
  - End of Lease Addendum must accompany the lease (special SD=BO for Texas)
